

# Dayton Bomber Youth Hockey League Spring Fee Policy

## Spring Fees

Spring 2007 registration fees are as follows:

IP	\$150.00*
Mites, Squirts, Pee Wee	\$175.00*
Bantam and Midget	\$200.00*

\*Any players that did not register with USA Hockey for the 2006-2007 Fall season will be required to register with USA Hockey through their online registration program which requires an additional \$35.00 fee. Proof of registration will be required from any/all players that did not skate with DBYHL for the 2006-2007 Fall season, prior to taking the ice for the spring session.

## Terms and Conditions

The registration fee is non-refundable. Any exceptions to this will be at the discretion of the DBYHL Board and shall be reviewed on a case by case basis. Decisions made by the Board are final.

Banking fees incurred by DBYHL for bounced/NSF checks will be the responsibility of the player, and subsequently added to the player's balance. A money order or cashier's check will then be required to pay that player's balance.

Anyone experiencing financial difficulties is encouraged to contact the DBYHL Registrar.

Any player with delinquent fees runs the risk of not being permitted to skate during DBYHL ice times.

-----Cut Here & Return Bottom Portion with Registration-----

I have read DBYHL's Spring fee policy and understand that I am responsible for the player(s) fees. If I fail to pay these fees by the registration deadline, my player, \_\_\_\_\_, will be banned from all practices, games, clinics and any other DBYHL activities. I further agree to abide by all policies and decisions of the DBYHL Board and understand that Board decisions are final, and recognize that DBYHL reserves the right to use all legal remedies to ensure payment.
